Dear Mrs. Manley:

I tried to reach you on the telephone but was unable to get you and was informed that your wire was temporarily disconnected. I then called your home but got no answer.

Will you kindly arrange to send to Bill Briden, c/o Police Headquarters, Belmar, New Jersey your probable Starting Line-Up together with complete information about the players and any other news that you have about the team. I want to give this a good build up and see if we can not develop this place for Saturdays.

As yet have not heard from Hartford although I think I'll be able to work out something with them O.K.

Very truly yours,

WAL:VJ
